DISCUSSION ITEMS

City of East Lansing Update on Millage Projects Presentation and Extension of TR003

Assistant Director of Parks and Recreation, Wendy Longpre, presented a PowerPoint presentation about the City of East Lansing’s millage projects. Ms. Longpre stated the City of East Lansing is very thankful for all the projects the City of East Lansing has been awarded. Ms. Longpre presented before and after photos of the projects that have been completed:

Ms. Longpre stated the City of East Lansing is requesting an extension for the Northern Tier Trail project TR003. They have discussed different options with the Drain Commission, who recommends shifting the trail.

Mr. Pratt entered the meeting at 5:42pm.
Ms. Longpre presented possible solutions for the trail edge issue:

**Northern Tier Trail Repairs**

**Option 1**
- Use the remaining project funds to repair surface cracks in spring 2020
- Close out the existing grant in summer 2020
- Continue to work with the Ingham County Drain Office to identify and quantify a trail edge solution
- Apply for an additional Trails Millage allocation to re-locate the section of trail in question
- Repairs would be completed in summer 2021

**Pros**
- Closes out the existing grant, allowing disbursement of Trails Millage funds in summer 2020
- Completes the crack repair quickly

**Cons**
- Is dependent on the Trails Millage funding request being successful
- Postpones the trail edge resolution until summer 2021
- Requires two separate bidding processes.

**Option 2**
- Continue to work with the Ingham County Drain Office to identify and quantify a trail edge solution
- Return to Ingham County Parks Commission in March or April with a request for additional funds on the existing grant
- Complete the surface repair and trail edge solution in summer/fall 2020

**Pros**
- Performs the crack repair and trail edge resolution as one project
- Completes the work in 2020

**Cons**
- Requires an additional allocation of Trails Millage funds outside of the funding cycle
- Requires the existing grant remain open until the end of 2020 and the funds remain with Ingham County

Ms. Longpre provided an update on the Northern Tier Trail extension through White Park. The current agreement for Northern Tier Trail Extension through White Park will need to be extended and the City of East Lansing will request that later this spring. The Ingham County Road Department has safety concerns about this
project, and after more research into the project, the Road Department would like the City of East Lansing to find some other alternatives. Ms. Longpre presented options for the intersection. The Road Department recommends reconstructing the intersection and completely redoing the signals, which could cost $350,000. Ms. Longpre presented a second option to create a mid-block crossing to the southeast in the amount of approximately $150,000. However, this isn’t a logical place to cross, and you would have to cross the road three times to complete the loop. Ms. Thomas stated this is a busy street and we need to be concerned about safety.
Northern Tier Trail Extension Through White Park

Project Goal: Create a trail loop

Challenges:
- The existing signal is unable to be upgraded, making safety improvements considerably more complex and costly than initially anticipated
- Ingham County Road Department has safety concerns with improvements as proposed.

Option 1
- Reconstruct the Lake Lansing Road intersection and install new signals. Estimated cost: $350,000

Pros
- Creates the safest crossing option for pedestrians
- Creates a pedestrian crossing at the most logical location where people are most likely to cross
- Creates the trail loop with one road crossing

Cons
- Requires an additional allocation of Trails Millage funds outside of the funding cycle
- The most costly option
- Complicated construction
- Construction is unlikely to happen before 2021
Ms. Longpre said the last two projects in the presentation are TR057 Pedestrian Connection to Northern Tier Trail at Riveria Drive and TR058 Pedestrian Connection to Northern Tier Trail at Colorado Drive. The City of East Lansing’s grant applications for these two projects were not awarded by the DNR. Ms. Longpre stated she doesn’t want to give up the County’s millage dollars, and maybe they can combine the grant funds to complete the Riveria Drive project, and submit a future request for Colorado Drive. Or, the City of East Lansing could request additional funds to complete both projects – an allocation outside of the funding cycle.

Mr. Unsworth asked why the City of East Lansing didn’t submit any applications for the last cycle. Ms. Longpre stated they have so many projects and it is important to complete what they have started before asking for more funds. Mr. Morgan stated that the DNR award announcements came after this round of applications.

Mr. Bennett asked if the Northern Tier Trail extension through White Park is more important than the Riveria Drive project; could we take the Riveria Drive funds and move to other projects? Ms. Longpre said she would need to discuss that idea with other employees from her department. Mr. Bennett stated we could possibly shuffle existing funds, instead of requesting new funds. Ms. Longpre asked when next round is open and Ms. Buzzard stated in August. Ms. Longpre stated the Riveria Drive project took a lot of legwork and it was a controversial project, and she doesn’t want to lose that project. However, White Park is a project they are doing right now.

Mr. Bennett asked if a community isn’t awarded a grant, don’t the funds go back to the County? Ms. Buzzard stated she will check the language in the contract.

Mr. Bennett stated maybe we can shuffle money between the projects. Ms. Longpre proposed we could shift money from the Riveria Drive project to the White Park project, and from Colorado Drive project to the Northern Tier Trail project. Ms. Buzzard asked if they can just ask for more funds in a future round. Mr. Bennett stated shuffling funds may be a quicker option than waiting for the next round.
Mr. Pratt stated in the first six years of the millage we have found there are a lot of adjustments and things that haven’t been accounted for, and we have not had a problem with cost overruns. He would like to see the work completed in 2020. The Drain Commission thinks there is a solution potentially for under $100,000. Mr. Pratt recommends finishing this project now since it is a safety issue. Ms. Buzzard agreed that she would like it to be completed sooner too. Mr. Pratt stated he recommends option two. Ms. Longpre said she will have actual numbers to present to the Park Commission in April to address a solution to these projects.
Connection at Colorado Drive

Allocation: $191,684
Status: NRTF Grant request for $100,000 project match was unsuccessful

Connection at Riveria Drive

Allocation: $370,796
Status: NRTF Grant request for $200,000 project match was unsuccessful
ACTION ITEMS

**East Lansing Millage Project TR003 Extension**

MOVED BY MR. PRATT, SUPPORTED BY MR. UNSWORTH

To recommend extending the City of East Lansing’s project TR003 to December 31, 2020

THE MOTION CARRIED UNANIMOUSLY. MOTION CARRIED.

Ms. Longpre stated she will come back to the Park Commission in April to present another update. Mr. Swope stated option one will create traffic congestion, and recommended the City of East Lansing look at another option such as a traffic circle.

**Williamstown Township Millage Project Extension**

Williamstown Township Supervisor, Wanda Bloomquist, addressed the Park Commission about project TR052. Ms. Bloomquist said she is requesting an extension through May 31, 2020 and Mr. Pratt stated he recommends extending the project until the end of the year.

MOVED BY MR. PRATT, SUPPORTED BY MS. THOMAS

To recommend extending Williamstown Township’s project TR052 to December 31, 2020

THE MOTION CARRIED UNANIMOUSLY. MOTION CARRIED.
Resolution to Recommend Accepting the 2019 Land and Water Conservation Fund Grant for Burchfield Park ~

Mr. Morgan stated this grant was awarded in December of 2018, but we did not get the project agreement until this month.

RESOLUTION #1-20 TO RECOMMEND AUTHORIZING THE ACCEPTANCE OF THE PROJECT AGREEMENT FOR A LAND AND WATER CONSERVATION FUND GRANT

WHEREAS, the Michigan Department of Natural Resources has approved the grant request in the total amount of $256,500 for the grant application titled Burchfield Park Improvements #26-01803 to the Michigan Natural Resources Land and Water Conservation Fund for accessibility improvements throughout the park for people of all abilities at Burchfield Park, located in Delhi Township; and

WHEREAS, the Land and Water Conservation Fund Grant in the amount of $256,500 was awarded for park and accessibility improvements at Burchfield Park; and

WHEREAS, these improvements will include accessibility improvements throughout the park including paved parking spaces and paved walkways to connect facilities within the park for people of all abilities, restroom improvements for accessibility and an accessible canoe/kayak launch along the Grand River; and

WHEREAS, the required matching funds of $256,500 will come from previously appropriated County funds reserved for this purpose as required by the Project’s Grant Agreement.

THEREFORE BE IT RESOLVED, that the Ingham County Park & Recreation Commission recommends the Ingham County Board of Commissioners, Ingham County, Michigan, accept the terms of the Agreement for grant # 26-01803 for accessibility improvements at Burchfield Park as received from the Michigan Department of Natural Resources (DEPARTMENT), and that the Ingham County Board of Commissioners does hereby specifically agree, but not by way of limitation, as follows:

1. To appropriate all funds necessary to complete the project during the project period and to provide two hundred sixty six thousand five hundred ($266,500) dollars to match the grant authorized by the DEPARTMENT, (of which $256,500 is required by the Project’s Grant Agreement and authorizes an additional $10,000 for the topographic survey totaling $266,500).

2. To maintain satisfactory financial accounts, documents, and records to make them available to the DEPARTMENT for auditing at reasonable times.

3. To construct the project and provide such funds, services and materials as may be necessary to satisfy the terms of said Agreement.

4. To regulate the use of the facility constructed and reserved under this Agreement to assure the use thereof by the public on equal and reasonable terms.

5. To comply with any and all terms of said Agreement including all terms not specifically set forth in the foregoing portions of this Resolution.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make the necessary budget adjustments consistent with this resolution.
BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to transfer $24,170.00 from a line to be determined by the budget office for the Burchfield Park Grant from invoices charged to Lake Lansing South, really meant to be billed to the portion of the contract billed to Burchfield Park, for the prime professional contract with Rowe Professional into line item # 228-75999-974000-9P10.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make the necessary budget adjustments to load $175,700 from the Trails and Parks Millage fund (previously authorized by Board of Commissioners Resolution #18-107) into a line to be established by the Budget office.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to carry over/transfer $12,000 from line item 228-75999-974000-7P06 into a line to be established by the Budget office.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make the necessary budget adjustments to load $56,300 from the 2020 Trails and Parks Millage fund (previously authorized by Board of Commissioners Resolution #18-107) into a line to be established by the Budget office.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to transfer $2,500 from the Parks Department 208 fund balance for the project into a line to be established by the Budget office.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to transfer $20,000 match for the Land and Water Conservation Fund grant, as authorized in the 2020 CIP budget request, from the Trail and Park Millage fund into a line to be established by the Budget office.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to transfer the project amount of $256,500 from the Michigan Department of Natural Resources be available in a line to be established by the Budget office.

BE IT FURTHER RESOLVED, that the Chairperson of the Board of Commissioners is hereby authorized to sign any necessary contract documents on behalf of the County after approval as to form by the County Attorney.

Moved by Commissioner Stivers and Supported by Ms. Hamrick that Resolution #1-20 be approved as written. Yes-9; No-0. MOTION CARRIED.

RESOLUTION #2-20 TO COMPLY WITH PROVISIONS OF THE OPEN MEETINGS ACT SETTING PARKS & RECREATION COMMISSION MEETINGS FOR JANUARY 2020 THROUGH DECEMBER 2020

WHEREAS, it is necessary for the Parks & Recreation Commission to adopt an annual resolution to comply with the provisions of the Open Meetings Act of 1976, P.A. 267, as amended, and set dates, time, location and meeting rules and regulations of Ingham County Parks & Recreation Commission meetings for 2020, pursuant to the provisions of said Act.

THEREFORE, BE IT RESOLVED that the Parks & Recreation Commission adopts the following meeting dates for 2020, time, location and amended meeting rules and regulations, pursuant to provisions of the Open Meetings Act, Public Act 267 of the Public Acts of 1976, as amended:

In the event of a special meeting, rescheduled meeting or cancellation of a regularly scheduled meeting, a notice of same will be posted at the offices of the Ingham County Parks Department, 121 E. Maple St., Suite 102, Mason, MI 48854 at least 18 hours prior to the time of the meeting or canceled meeting.

II. All regularly scheduled meetings shall be held at the location noted above unless otherwise posted. Notice of meeting will be posted at the offices of the Ingham County Parks Department, 121 E. Maple St., Suite 102, Mason, MI 48854 at least 18 hours prior to the time of the meeting. Requests for information regarding meetings are to be directed to the Ingham County Parks Department, 121 E. Maple St., Suite 102, Mason, Michigan 48854; telephone (517) 676-2233.

III. All meetings of the Parks & Recreation Commission shall be open to the public and all persons shall be permitted to attend any meeting; except a closed meeting may be held in accordance with Sections (7) and (8), as required by the Open Meetings Act of 1976, Public Act 267, as amended.

IV. This Commission authorizes the Recording Secretary or his/her designee to post all required notices of regular, rescheduled or special meetings of this Commission, or any other postings, as required by the Open Meetings Act of 1976, Public Act 267, as amended.
V. The Recording Secretary or his/her designee shall be responsible for preparation, distribution and storage of all minutes of this Commission as required by the Open Meetings Act of 1976, Public Act 267, as amended.

VI. The minutes of open meetings shall be available for public inspection at the office of the Recording Secretary, Ingham County Parks Department, 121 E. Maple St., Suite 102, P.O. Box 178, Mason, Michigan 48854, and shall be available to the public at a reasonable copying cost, as required by the Open Meetings Act of 1976, Public Act 267, as amended.

VII. To provide the public its right to address this Commission during any regular or special meeting, any member of the public may address the Commission for up to three (3) minutes per individual as scheduled on the agenda at the beginning of each meeting, and up to three (3) minutes at the end of the meeting at the time scheduled on the agenda for public comment; except that comments on an item scheduled for a public hearing may be made at that time pursuant to Section VIII hereof. At the discretion of the Chairperson, this time may be extended by granting an additional one (1) minute. During an agenda item, members of the public may not address the Commission unless recognized by the Chairperson. To accommodate public comment, the Commission Chairperson, at his/her discretion, may combine an agenda item into the public comment portion of the meeting in order to facilitate input from the public.

VIII. To provide the public its right to address this Commission during scheduled public hearings, any member of the public may address the Commission for up to five (5) minutes per individual, when recognized by the Chairperson. All comments are to be directed to the Chairperson. Comments are to be specific and address only the subject of the public hearing, otherwise the speaker may be ruled out of order at the discretion of the Chairperson.

IX. The Chair may call to order any person who is ruled out of order or who otherwise disrupts the orderly conduct of business at meetings, including speaking without being recognized, interrupting speakers, the Chair, Commission members or staff, exceeding designated time limits, failure to be germane to the issue at hand, use of vulgarities, or otherwise being disruptive. A person may be prohibited from speaking again at the same meeting, may be asked to leave the premises or may be removed from the meeting at the discretion of the Chairperson and/or may be subject to arrest.

X. Members of the public desiring to speak to the Commission may be required to identify themselves before speaking, as required by the Open Meetings Act of 1976, Public Act 267, as amended.

XI. The Ingham County Parks Department will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at meetings to individuals with disabilities, at all public meetings and public hearings upon ten (10) days notice to the Ingham County Parks Department prior to the date set for the public hearing or meeting. Individuals with disabilities requiring auxiliary aids or services should contact the ADA Coordinator for the Ingham County Parks Department.

Moved by Mr. Unsworth and Supported by Ms. Pawar that Resolution #2-20 be approved as written. Yes-9; No-0. MOTION CARRIED.
**Action Program Update**

Mr. Morgan stated there are two corrections to the action program – the demolition of the rental house was funded in the 2020 budget and the first item listed for Lake Lansing North is actually complete, and can be removed from the list. Mr. Morgan stated the park managers have reviewed and reordered the list, and this is an aggressive plan asking for multiple grants through the DNR annually for the foreseeable future. Mr. Morgan stated we will review this list again annually.

MOVED BY MR. UNSWORTH, SUPPORTED BY MR. PRATT

To recommend the update to the Action Program Items as presented

THE MOTION CARRIED UNANIMOUSLY. MOTION CARRIED.
Action Program

Overview
With goals and objectives in place, Ingham County has developed a five-year action plan that will enable it to move toward accomplishing its goals and objectives. The action program details the direction that Ingham County Parks wishes to take over the next five years and beyond. It is established to maintain and improve the quality and diversity of its park and recreation opportunities.

It is important to note that the projects and equipment lists below may not be exhaustive. The project list reflects the results of the input received from Ingham County Park staff, the open house, and the online survey and is the best reflection of needs at the time this plan was written. Future circumstances, especially availability of funding, may influence the order in which the projects are completed. Other projects may arise that were not able to be anticipated when the plan was written. This action portion of the Master Plan is intended to be reviewed annually by the staff and park commission and updated as needed as part of the normal budget process.
**Major Capital Projects**

Ingham County has identified below the Major Capital Projects. They are shown in Table 16. Major Projects are the projects that require professional services assistance for planning, design and grant writing. These are Major Capital Projects that will most likely need to be funded with a dedicated campaign that will include public and private grants, millage proceeds and fundraising. The projects have been prioritized and given a timeline so that the Ingham County Parks Department can look ahead and plan for the orderly development of these facilities. Each project is referenced to a specific goal from the previous section of this document.

2018 Ingham County Comprehensive Parks Master Plan | 55
**BOARD/STAFF COMMENTS**

Mr. Swope stated he got feedback that the winter sports status webpage doesn’t really give a good sense of when it was last updated, and currently states all activities are closed. Mr. Swope said it is not clear if the Hawk Island snow tubing hill is really closed this Friday, Saturday, and Sunday. Mr. Swope recommended adding TBD or dates to make it clearer. Mr. Morgan stated we are making snow in anticipation of opening up this weekend, but were closed the last weekend. Mr. Morgan said we can post that the page is updated daily. Mr. Bennett recommended we should put a time, for example, this page is updated daily by 10am. Mr. Morgan stated he will check with the managers on a time.

Ms. Buzzard stated the wayfinding signs have been installed in Leslie. Ms. Pawar asked if our partners have shared information about completed millage projects and Ms. Buzzard stated we are working on this with FLRT. Mr. Unsworth stated they are meeting tonight about this, and the Tri-County Bicycle Association will share some of this information too.

Motion to Approve Visitor Incentive Program

Move

To approve the following visitor incentive program as authorized per Board of Commissioners Resolution #15-397:

- Half off canoe/kayak rental at Burchfield Park on date(s) to be decided for marketing as determined by staff
INGHAM COUNTY PARKS & RECREATION COMMISSION

Meeting of February 24, 2020
Resolution # -20

RESOLUTION TO RECOMMEND AUTHORIZING A CONTRACT WITH
E.T. MACKENZIE COMPANY

WHEREAS, the Purchasing Department solicited proposals from qualified and experienced contractors for the purpose of entering into a contract to construct a pervious concrete walkway at Hawk Island County Park; and

WHEREAS, after careful review and evaluation of the proposals received, the Evaluation Committee recommends that a contract be awarded to E.T. MacKenzie Company.

THEREFORE BE IT RESOLVED, that the Ingham County Park & Recreation Commission recommends the Ingham County Board of Commissioners approve entering into a contract with E.T. MacKenzie Company for the base bid in the amount of $27,464, and a contingency of $4,000 for a total amount not to exceed of $31,464 for the purpose of constructing a pervious concrete walkway at Hawk Island County Park.

BE IT FURTHER RESOLVED, that this agreement shall be effective the date of execution through August 1, 2020.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make any necessary budget adjustments consistent with this resolution.

RESOLUTION TO RECOMMEND A CONTRACT WITH BROCK & ASSOCIATES INC.
FOR A NEW DOCK AT LAKE LANSING SOUTH PARK

WHEREAS, Board of Commissioners Resolution 19-287 authorized the acceptance of a Michigan Natural Resources Trust Fund Grant Project Agreement for the grant application titled Lake Lansing South Park Improvements #TF18-0104 in the amount of $300,000, plus a local match of $156,600; and

WHEREAS, in addition to this amount, $15,000 is available in line item 228-75999-974000-9P10 for the topographic survey as previously authorized in the 2019 Capital Improvement Funds list, for a total project amount of $471,600; and

WHEREAS, the Purchasing Department solicited proposals from qualified and experienced general contractors to enter into a contract for the purpose of making improvements to Lake Lansing South Park; and

WHEREAS, the general scope of work includes, but is not limited to, construction of boardwalk and helical piers, concrete sidewalk, abutment and restoration; and

WHEREAS, after careful review and evaluation of the proposals received, the Evaluation Committee recommends that a contract be awarded to Brock & Associates Inc. in the amount of $450,400 plus a contingency of $22,520 (5%) for a total construction cost not to exceed $472,920.

THEREFORE BE IT RESOLVED, that the Ingham County Park & Recreation Commission recommends the Ingham County Board of Commissioners approve entering into a contract with the low bidder Brock & Associates Inc. in the amount of $450,400 plus a contingency of $22,520 (5%) for a total construction cost not to exceed $472,920 to enter into a contract for the purpose of making accessible improvements to Lake Lansing South Park.

BE IT FURTHER RESOLVED, that the term of the contract shall be from the date of execution until June 1, 2020.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make the necessary budget adjustments consistent with this resolution.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to carry over/transfer the remaining 2019 funds in line item 228-75999-974000-9P10 to 2020.

BE IT FURTHER RESOLVED, the Board of Commissioners authorizes an additional $36,905 from the Trails and Parks Millage fund balance for the project and the Controller is authorized to transfer $36,905 from the Trails and Parks Millage fund balance into line item 228-75999-974000-9P10.

BE IT FURTHER RESOLVED, that the Chairperson of the Board of Commissioners is hereby authorized to sign any necessary contract documents on behalf of the County after approval as to form by the County Attorney.
Mission Statement: The Ingham County Parks & Recreation Commission and Ingham County Parks Department will provide quality outdoor recreation opportunities and facilities for all segments of our population. Burchfield Park January - February Manager’s Report

1. Final preparations for GO LIVE with our new revenue management system. Currently operating Rec Trac 3.1 at gatehouse and food concessions at Burchfield. Working towards using it at ski rental and snow tubes once we get hardware connectivity issues worked out.

3. We’ve finally had some winter weather to open Winter Operations in January and February, including some near daily records at ski and tube rental. During the month of February we also had an Ingham County Employee Free Day (free park entrance and moonlight ski on Feb. 8th) and a Valentine’s Day Special incentive day of 1/2 off moonlight ski on Feb. 14th. However, we only 20 County employees take advantage of the Free Day. Next year we will add all day snow tubing and ski rental to this event.

4. Clinton County RESA did their cold water rescue training again this year at Burchfield Park. Park employees were offered to “suit up” and jump in to be rescued. NO TAKERS, HA!

5. Big turnout for the Mid-Winter Fantasy Quidditch Tournament this year on January 26th. Approx. 120 college students from all over the Midwest played the famous J.K. Rowling Harry Potter game on our baseball field.

6. Chris and I both attended three days of the Mparks Conference and Trade Show, Jan.28-30th. Great opportunity to learn new topics in the parks and recreation field, share ideas, network, and take note of new trends in our profession.

7. Attend preliminary planning meeting with Tim Morgan, Melissa Buzzard, Chris Wascher and Tanya Moore, from Spicer Group, to discuss potential for applying for a DNR Small Grant for improvements at Bunker Rd. landing. Part of the capital project action program.

8. Prep park material for display at Quiet Adventure Symposium, which we will be attending on Feb. 29th.

9. Met with our Park Naturalist Megan Allen to start planning for Nature Day Camp this year. We are looking to rewrite the job description and hire one extra naturalist this season (total of 3). We are also looking into the possibility of providing a new service and offer field trips outside of the park to include: exploring other nature areas, museum and/or zoo visits, and have invite other naturalist presenters to the program.

10. Getting ready for our MUCC Wood Duck nest box building volunteer day on March 7th. Coordinating other volunteer days this year including MSU Dept. of Community Sustainability and Mason High School.

11. Maintenance was focused on grooming ski trails, snow removal/salting at parks and Waverly Bridge sidewalk, build advertising display boards, and taking care of hazardous trees in the park.
